

Supporting Teacher Growth 3-Day Course

This three-day training will provide administrators and instructional coaches with skills needed to support teacher growth and development using the SC Teaching Standards 4.0 Rubric. Participants will learn to navigate pre-conference coaching conversations, to collect observation data to support refinement and reinforcement plans, to provide meaningful feedback, and to conduct growth producing post-conference coaching conversations.

Audience: Administrators and Instructional Coaches

Learning Outcomes

Day One:	Day Two:	Day Three:
<p>Understanding the 4.0 Rubric and the Pre-Conference</p> <ul style="list-style-type: none"> • Understand high quality teaching as defined by the SC Teaching Standards 4.0 Rubric. • Identify methods to collect classroom data to support the SC Teaching Standards 4.0 Rubric. • Increased craftsmanship in coaching skills during pre-conference conversations with teachers (listening for understanding). 	<p>Meaningful Feedback</p> <ul style="list-style-type: none"> • Recognize how four support functions (coaching, consulting, collaborating, evaluating) promote teacher growth. • Differentiate between coaching feedback and evaluative feedback. • Use classroom data to provide meaningful feedback and determine refinement and reinforcement plans. 	<p>The Post-Conference and Next Steps</p> <ul style="list-style-type: none"> • Recognize strategies for increasing teacher consciousness and self-directedness around refinement and reinforcement areas. • Increased craftsmanship in coaching skills during post-conference conversations with teachers (questioning to support growth). • Understand how to develop professional growth plans to support teacher refinement areas.
