

S²TEM Centers SC

Solutions in Science, Technology, Engineering & Mathematics Education

Advanced Digital Breakouts

Ready for the next Level of FUN!

Create or Edit a Google Site-based breakout with:

- High-function Video and Image Apps
- Add Multiple Pages and complexity
- Embed interactivity through apps or SIMS

Provide your students the opportunity to:

- Critically analyze multifaceted problems and
- Collaborate with peers on complex solutions

Earn 10 renewal credits and collaborate with others, share breakouts, content and resources, and publish your breakout(s) for all to see!

Synchronous Dates @ 4:00–5:00 PM, in Zoom.

Tuesday February 2, 2021

Thursday February 4, 2021

Thursday February 11, 2021

Tuesday February 16, 2021

Tuesday February 23, 2021

\$100

All 10 Hours are aligned to ISTE Standards for Tech Proficiency

What prerequisites are there for this course?

Teachers of all content, and grade levels 2nd - 12th grade

It is necessary that you have and can use the following tools:

- A computer/laptop, or a device with a keyboard, mouse, internet connection and knowledge of digital breakouts/escape rooms.
- Working knowledge of integrating Google Tools [Drive, Sites, Forms etc.] OR Microsoft Tools [OneNote, PPT, Forms etc.]
- Video and/or Image editing experience (apps or software) and knowledge of video and image file types (.gif, .jpeg, .mp4, .avi, etc.)

Here's what participants are saying about our Breakout Courses:

- "Excellent learning experience...the best virtual learning course I have participated in!"
- "I will be sharing this with my colleagues."
